Hi Erin -

The Portland Harbor Managers meeting seem to have taken a back seat while the flurry of technical discussions have been taking place. The meeting today was an attempt to get the meetings back on track, and my plan is to revert back to the 2nd Wednesday schedule for these meetings starting August 13. Sorry for all the confusion, but hopefully things are starting to calm down and things can get back to normal!

thanks,
valerie

Can someone send me the current schedule for managers' meetings? I thought they were the second Wed of the month, but it seems that is no longer the case. The Trustees have meetings all day today, so I will not be able to attend this meeting. I would like to get future meetings on my calendar to avoid conflicts. Thanks a bunch!

Hi Eric - I am checking with Bob. I thought he was available until 2, but that is now in question.

In the meantime, here is the agenda that Keith is proposing for the meeting.

Valerie, what is the time for this meeting? We have a TCT meeting tomorrow morning beginning at 9:00 am. We typically go until noon. I think we would prefer a 12:00 - 2:30 managers meeting (we will bring in our lunches). However, I may have agreed to 11. Bob indicated that we were meeting from 11 - 1. Can you verify.

Thanks, Eric

Managers meeting next week

Chip, Eric, Jim -

Would you be available for a managers meeting next week, on Wednesday 7/16?
LWG Managers would be available for a meeting starting any time from about 11am, and would
need to wrap up by 2:30. Let me know if you could make something work that afternoon.

cheers
valerie
